

Out & About In the Finger Lakes

Wine Country & Outdoor Weekend Planner

Saturday *(Fine as Wine)*

Start your day off right with a hike at Watkins Glen State Park, where you can see the refreshing view of Rainbow Falls. Grab a bite at one of the many restaurants in the Watkins Glen area before heading up the lake to Glenora Wine Cellars, you deserve a drink after that hike! Relax and enjoy the fine wine and stunning landscape to top off your first day in the Finger Lakes.

Sunday *(Water-falling for us)*

Start at Three Brothers Winery, then stop over the hill at Buttonwood Grove Winery, then back over the hill for some amazing views to Wagner Vineyards before ending your day at Atwater Vineyards.
